

## INTERNSHIP / PARIS, FRANCE

### CSR ASSISTANT M/F

#### 1 OUR MISSION

**We believe in a future where nature and technology could blend, to address the next technological challenges.**

Woodoo is specialized in groundbreaking biomaterials based on the structural transformation of wood at the molecular level. Our wood materials can be translucent and tactile, or 4 x sturdier and weather resistant, with applications in automotive, aeronautics, luxury or consumer electronics. We are here to help the industry reduce its carbon footprint by providing alternatives to carbon-emissive materials. We strive to produce renewable materials from regenerative forestry. Woodoo has won more than 40 major international and national awards (from MIT, World Economic Forum, Horizon H2O2O, Solar Impulse Foundation...).

#### 2 JOB DESCRIPTION

**To help us develop and implement an impactful CSR strategy, we're looking for a CSR assistant** who will be directly involved in driving certification projects, ensuring regulatory compliance, identifying improvement opportunities, analyzing relevant KPIs, benchmarking best and innovative practices, raising awareness both internally and externally...

#### 3 YOUR QUALIFICATIONS

- Specialized training in sustainable development (Bac +5)
- Deep understanding of CSR issues and regulations, especially the environmental impact of activities
- **Full of ideas and initiatives**, with a real sense of resourcefulness, nothing stops you
- Excellent written and verbal communication skills, both in **French and English**

##### About you...

- Passionate about the environmental cause, I know all about the IPCC reports
- Ambitious, I definitely want to make a difference through my job
- Curious, always asking questions, eager to try and learn new things
- I am nothing without a team, colleagues make me better
- Hard-worker, I don't let go until I succeed
